Superheroes Theme

Help your favorite superheroes solve reading challenges by answering each adventure question carefully!

NAME _____

DATE _____

SCORE _____ / 8

1

Spider-Man found a secret message hidden in the Avengers Tower library that said: 'The villain is hiding in three places: the dark cave, the tall building, and the frozen mountain. We have already searched the dark cave and the tall building.' Where is the villain hiding based on what Spider-Man read?

2

Wonder Woman received a letter from Batman that read: 'I caught 5 criminals on Monday, 3 criminals on Tuesday, and 4 criminals on Wednesday.' If Wonder Woman needs to know how many criminals Batman caught in total, what is the number?

3

Superman was reading a scroll that described his powers: 'You can fly faster than a speeding bullet, you are stronger than a locomotive, and you can see through walls with your special vision.' How many special powers were listed on the scroll?

4

Black Widow found a coded message that said: 'Meet me in 2 hours at the secret base. Bring 4 agents and 3 weapons.' If Black Widow reads this message at 3 o'clock, what time should she arrive at the secret base?

5

The Hulk discovered a diary entry that said: 'Monday: fought 2 monsters, Tuesday: fought 3 monsters, Wednesday: fought 1 monster.' According to what the Hulk read, on which day did he fight the most monsters?

6

Captain America read his mission briefing which stated: 'There are 6 enemy soldiers in the north sector, 8 enemy soldiers in the east sector, and 5 enemy soldiers in the south sector.' How many total enemy soldiers are there according to the briefing?

7

Iron Man scanned a document that said: 'The robot will malfunction if it receives more than 10 power surges. It has already received 7 power surges.' How many more power surges can the robot handle before it malfunctions?

8

Thor read an ancient prophecy that stated: 'The thunder god will battle 4 frost giants, 2 dark elves, and 3 fire demons.' Based on this prophecy, how many total enemies will Thor need to battle?
