

# Dinosaur Adventures: Subtraction in the Prehistoric Land

Math

Grade 2

Dinosaurs Theme

Help our dinosaur friends solve these exciting subtraction adventures by figuring out how many dinosaurs, eggs, or treasures they have left!

NAME \_\_\_\_\_

DATE \_\_\_\_\_

SCORE \_\_\_\_\_ / 8

1

Trixie the Triceratops found 15 delicious ferns to eat in the ancient forest. She munched on 6 ferns for her lunch. How many ferns does Trixie have left?

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

2

Rex the T-Rex was guarding 12 dinosaur eggs in his cave. When he wasn't looking, 5 eggs rolled away down the hillside. How many eggs does Rex still have in his cave?

\_\_\_\_\_

\_\_\_\_\_

For Parents and Teachers

1

Trixie the Triceratops found 15 delicious ferns to eat in the ancient forest. She munched on 6 ferns for her lunch. How many ferns does Trixie have left?

ANSWER

9

2

Rex the T-Rex was guarding 12 dinosaur eggs in his cave. When he wasn't looking, 5 eggs rolled away down the hillside. How many eggs does Rex still have in his cave?

ANSWER

7

3

Petra the Pterodactyl collected 18 shiny rocks to build her nest high in the mountains. She used 9 rocks for the walls. How many rocks does Petra have left for decoration?

ANSWER

9

4

Spike the Stegosaurus had 20 berries in his berry patch. He shared 8 berries with his baby dinosaur friend. How many berries does Spike have remaining?

ANSWER

12

5

Dino the Diplodocus was carrying 14 long branches to build a bridge across the river. He dropped 3 branches into the water. How many branches does Dino still have?

ANSWER

11

6

Lucy the Little Dinosaur had 16 pebbles she collected from the volcano. She gave 7 pebbles to her best friend Otto. How many pebbles does Lucy have now?

ANSWER

9

7

Bruno the Brachiosaurus was counting 13 tall trees in the dinosaur forest. A big storm knocked down 4 trees. How many trees are still standing in the forest?

ANSWER

9

8

Cera the Ceratopsian was on a treasure hunt and found 17 golden coins buried in the sand. She gave 6 coins to her dinosaur crew. How many golden coins does Cera have to keep?

ANSWER

11
