

# Musical Notes Adventure: Subtraction Quest with Melody and Friends

Math

Grade 2

Music Theme

Help the musical characters complete their adventures by solving subtraction problems and discovering how many notes, instruments, and magical sounds remain!

NAME \_\_\_\_\_

DATE \_\_\_\_\_

SCORE \_\_\_\_\_ / 8

1

Melody the songbird had 9 golden musical notes floating around her nest. She used 3 of them to create a beautiful morning song. How many golden notes does Melody have left?

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

2

At the Grand Piano Palace, there were 12 dancing piano keys lit up in rainbow colors. During the concert, 5 keys stopped glowing when the performance ended. How many rainbow keys are still glowing?

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

3

Timmy the tambourine had 8 jingling bells on his frame. When he danced in the rain, 2 bells fell off into a puddle. How many jingling bells does Timmy have now?

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

4

In the Trumpet Valley, there were 15 shiny trumpet flowers blooming. A magical wind blew away 6 of the trumpet flowers. How many trumpet flowers are still growing in the valley?

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

5

Harmony the harp collected 11 sparkly strings from the Enchanted String Forest. She gave 4 strings to her friend Lyric. How many sparkly strings does Harmony have left?

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

6

The Rhythm Drums Guild had 14 colorful drums stacked in their concert hall. They packed up 8 drums to take to the Music Festival. How many drums are still in the concert hall?

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

7

Echo the owl sang 13 melodious notes from the tallest tree in Musicland. When a breeze passed through, 5 notes floated away on the wind. How many of Echo's notes are still echoing through the forest?

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

8

The Violin Valley had 16 beautiful violin vines growing on the hillside. A gardener carefully picked 9 violin vines for a grand orchestra. How many violin vines are still growing on the hillside?
