

Telling Time Adventures with Spring, Summer, Fall, and Winter

Math

Grade 2

Seasons Theme

Help the Season friends complete their time-telling adventures by solving each problem!

NAME _____

DATE _____

SCORE _____ / 8

1

Spring is planting flowers in her garden. She starts at 2:00 and works until 3:00. How many hours does Spring spend planting?

2

Summer is playing outside on a sunny day. He starts his adventure at 10:00 in the morning. If he plays for 2 hours, what time does Summer stop playing?

3

Fall is collecting colorful leaves and it takes her 15 minutes to fill one basket. If she fills 4 baskets, how many minutes does she spend collecting leaves?

4

Winter is building a snowman. He starts at 1:00 and finishes at 4:00. How many hours does it take Winter to build his snowy friend?

5

Spring wakes up at 7:00 in the morning to water her new seedlings. The clock shows 7:30 when she finishes. How many minutes did Spring spend watering?

6

Summer's ice cream adventure starts at 2:00. He spends 30 minutes eating ice cream, then 30 minutes playing tag. What time does Summer finish both activities?

7

Fall is carving pumpkins for 45 minutes in the afternoon. If she starts at 3:00, what time will Fall finish carving?

8

Winter's sledding race begins at 11:00 in the morning. If Winter slides down the hill 5 times and each run takes 10 minutes, what time does he finish?
